Required Document for filing a TM renewal application is as follows:

Thailand:

- 1) **Power of Attorney (Enclosed)** Must be notarized by notary public.
- 2) **A certified copy of registration certificate.**
- 3) **List of Goods/Services bearing the mark** as the full class heading of the International Classification of goods is not allowed.
- 4) **Information about the name, address and nationality of the applicant (if change, please provide the certified copy of certificate of recordal of changing of name or address).**

Note:

- 1) The time from filing renewal application will be about 6 months.
- 2) When an application is filed to register a trademark or a service mark, the goods or services to be protected must be specifically listed in detail because the government fee is calculated on the basis of this listing. Identifying as the full class headings of the International Classification of Goods and Services cannot be protected.
